Paying tribute to those working in care

The Great British Care Awards are a celebration of excellence across the social care sector. The purpose of the awards are to pay tribute to those individuals who have demonstrated outstanding excellence within their field of work. This year there are 9 regional awards leading to 2 national finals for both the home care and care home sectors, to be held at the prestigious Guildhall in London in 2011.

There are around eighteen awards categories available for nomination, which represent all areas of the social care sector, whether it be older people or specialist services, residential or home care. From frontline staff such as care workers and care managers to people who have made an impact in other ways such as training, IT and innovation.

Working in partnership with care partners and local care associations is at the heart of the initiative; working and linking directly with local managers and networks to further promote the event.

The awards have received support from across the social care sector, including the Department of Health, the Association of Directors of Adult Social Services (ADASS), Ceretas, the English Community Care Association (ECCA), the Social Care Institute for Excellence (SCIE) and Skills for Care. Local care associations and local authorities and PCTs are also supporting the awards.

So don't delay and join us in celebrating social care and help it get the recognition it deserves.

Raise your company's profile regionally and nationally

Sponsorship opportunities are available at one, some or all of the regional events. The awards provide a unique opportunity to gain maximum exposure with key influencers from across the sector.

For information on sponsorship opportunities call 0115 959 6133 or email info@care-awards.co.uk

The Great British Care Awards are proud to support the Maggie's Centres as our nominated charity. The Maggie's Centre has sites situated throughout the UK offering support for people who are impacted in some way by cancer.
