Great East Midlands Care Awards 09

In November of 2008 The Great North Care Awards was held at the National Railway Museum in York. The event, hosted by The Independent Care Group, was the first in a series of 'The Great British Care Awards' ceremonies planned throughout the UK for 2009 and was a phenomenal success, attracting more than 230 nominations from across the region and 650 guests on the evening.

The Great British Care Awards are a celebration of excellence across the care sector. The purpose of the awards is to promote best practice within the sector and pay tribute to those individuals who have demonstrated outstanding excellence within their field of work.

There are a total of eighteen awards categories available for nomination, which represent all areas of the care sector, whether it be older people or specialist services, residential or home care. From frontline staff such as care workers and care managers to people who have made an impact in other ways such as training, IT and innovation.

The winners from the regional awards will then be invited to attend the National Events for either Home Care or Care Homes sectors.

Please send your nominations in and join us for what promises to be another spectacular event!

The Great British Care Awards are proud to support the Maggie's Centres as the nominated charity. The Maggie's Centre has sites situated throughout the UK offering support for people who are impacted in some way by cancer.
